

HYDROPLAST 210

MID-RANGE WATER REDUCING SUPERPLASTICISER FOR RHEOPLASTIC CONCRETE

CONCRETE ADMIXTURES

PRODUCT DESCRIPTION

Hydroplast 210 is a ready to use, mid-range water reducing admixture design to produce high slump concrete with workability retaining property. This product is chloride free, and is SNF base.

ADVANTAGES

Hydroplast 210 considerably improves the properties of fresh and harden concrete.

PRIMARY USES

- Micro-silica concrete
- Mass concrete pours
- Ready mixed concrete
- Long distance transport
- Pumped concrete
- Casting in hot climate

To obtain:

- Reduced thermal peaks
- High workability for longer periods
- Low pumping pressure
- Delay setting with longer workability
- Improves durability
- Reduced permeability

DISPENSING

Hydroplast 210 is a ready to use liquid which is dispensed into the concrete together with the mixing water.

TECHNICAL PROPERTIES

Colour	Dark brown
Specific gravity@25°C	1.15±0.01
Chloride content	Free to EN 934
Freezing point	0°C
Status	Liquid

PACKAGING

Hydroplast 210 is available in 1000L, 210L, 25L, and 20L. this product is available on demand.

STANDARD

All materials, measurement and production are in accordance with ASTM C-494 type G.

DOSAGE

Optimal dosage of hydroplast 210 should be determine in trial mix. As a guide, the following dosage are recommended as a starting point for any trial. In normal concrete a dosage of 1.2 to 2 liters per 100kg of the cementitious material. In high performance micro-silica concrete, a dosage of 1.5 to 2.5 liters per 100kg of the cementitious material. Depended upon mix design, it is possible to use a lower dosage.

Hydroplast 210 is compactible with all grade and type of cement.

STORAGE AND HANDLING

Hydroplast 210 has a shelf life of 12 month starting from manufacturing date, provided no other chemical is added to it.

The product should be stored at room temperature, away from direct sun light, and frost in clean dry tank.

After freezing, the properties of hydroplast 210 can be recovered by controlled thawing and agitation.

Do not allow the product to be exposed for long period of time.

MID-RANGE WATER REDUCING SUPERPLASTICISER FOR RHEOPLASTIC CONCRETE

CONCRETE ADMIXTURES

QUALITY

Armorsil West Africa is a multinational construction chemical product manufacturer, with present in United States, Canada, Turkey, United Arab Emirate and over 40 countries. All product originating from Armorsil is manufactured under a management system to conform to the requirement of the quality, environmental and occupational health and safety standard ISO 9001, ISO 14001, and ISO 45001.

STATEMENT OF RESPONSIBILITY

The technical information given in this armorsil solution publication are based on the current state of our best scientific and practical knowledge of analysis.

LIMITED WARRANTY

All recommendations, statements and technical data herein are based on tests we believe to be reliable and correct, but accuracy and completeness of said tests are not guaranteed and are not to be construed as a warranty either expressed or implied. User shall rely on his or her own information and tests to determine suitability of the product for the intended use and user assumes all risk and liability resulting from his or her use of the product. Nothing contained in any supplied materials relieves the user of the obligation to read and follow the warnings and instruction for each product as set forth in the current Technical Data Sheet, product label and Safety Data Sheet prior to product use away.

Armorsil Manufacturing supplies products that comply with the properties shown on the current datasheets. In the unlikely event that products supplied are proved not to comply with these properties, then we will replace the non-compliant product or refund the purchase price. Armorsil Manufacturing does not warrant or guarantee the installation of the products as it does not have control over the installation or end use of the products. Any suspected defects must be reported to Armorsil Manufacturing in writing within seven working days of being detected.

Armorsil Manufacturing. Makes no warranty as to merchantability or fitness for a particular purpose and this warranty is in lieu of all other warranties express or implied. Neither seller nor Armorsil Manufacturing shall be liable to the buyer or any third person for any injury, loss or damages of any sort including remote or consequential damages, down time, or delay directly or indirectly resulting from use of or inability to use the product. .
